MOTION TO LEAVE TO FILE
COMMENTS OF BECHTEL & COLE, CHARTERED

FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

We are submitting comments in response to the Commission's second further notice of proposed rulemaking on this Monday, July 25th, whereas they were due on Friday, July 22nd. I am the attorney here having the responsibility for preparing the comments, which are a distillation of nearly ten years of litigating the matters involved in the comments. The first of last week, I returned to the office from a two week absence to a large volume of work and also some personal family matters which required immediate attention. As a result, I simply ran out of town to get everything done last week and the preparation of these comments was a casualty of the overload.

In this morning's mail, I received copies of two comments that were filed on Friday and served on me. To be fair, I have not read either of those comments pending completion and filing of our own comments. Accordingly, I have not taken advantage of the delay vis-a-vis those commenting parties. Acceptance of our comments one business day late should not materially delay the ultimate resolution of the proceeding, unduly disrupt the Commission's processes or cause harm to any party.

For these reasons, good cause exists to accept our comments,
and we move the Commission to do so.

Respectfully submitted,

Gene A. Bechtel
